Lot Landscaping Diagrams for Bayview & Bayside

These homes receive front sod extending 4 ft. beyond the front corner of the foundation.

These homes receive front sod extending 4 ft. beyond the front corner of the foundation and sod down side of the house exposed to the street

Sod - Front/Back/Both Sides Amenity Lot

Amenity Lot (with Rear Easements)

These homes receive sod for the entire front, side and rear yard. If your Amenity Lot has a rear easement, sod is not permitted to be laid in the easement area (approximately 10m).

Tree Restrictions & Placement

- Tree must be installed 3.5m back from the city sidewalk and out of the way of underground services.
- Location of the tree will be discussed with homeowner before work is complete.
- Underground services will be marked out and the tree must be 1 metre away from all underground services.
- Tree must be planted in the Front Yard.
