

# BAYVIEW COMPLIMENTARY LANDSCAPING PACKAGE

**WELCOME TO BAYVIEW!** To assist new homeowners with their landscaping needs, Mountains Edge Construction Ltd. has been retained to provide purchasers of new homes in Bayview with a complimentary landscaping package.

Lot trees in Bayview have been preselected for each lot in order to create a unique and attractive streetscape using a combination of canopy shade trees, handsome evergreens and colourful flowering ornamentals.

1. Construction of front yard shrub beds complete with five, two gallon flowering shrubs.
2. Top dress, fine grade and sod landscaping areas.

## NOTES

- Flowering shrubs will be pre-selected from a mixture of different varieties chosen to do well in the area.
- Front sod will wrap 4" past the front corner around the sides of the home.
- Amenity and high visibility lots qualify for extended sod package,
- Trees must be maintained by homeowner or tenant after planting. No warranty on live plant material.
- Mountains Edge Construction will arrange utility locates prior to planting.
- Foundation backfill settlement following installation is not the responsibility of the landscaping contractor.
- Typical installation season is June to October, weather and plant stock permitting.

*\*No substitutions. \*No cash value.*
